**American
Foundation
for Suicide
Prevention**

The American Foundation for Suicide Prevention encourages third-party support, partnerships and sponsor from organizations that share our goal of saving lives and bringing hope to those affected by suicide, including other not-for-profit organizations, for-profit organizations, corporate foundations and government-related entities. While these relationships are essential to our organization reaching its goals for public health, AFSP must exercise care not to endorse or appear to endorse a commercial product, service or enterprise, or positions not endorsed by AFSP.

- AFSP reserves the right to determine who may table, speak, or otherwise have a presence at our events
- The messages and materials shared (verbal or written; and on- or off-event) need to align with AFSP's mission to save lives and bring hope to those affected by suicide; and align with public policies and positions held by AFSP
- The presence must positively/enhance the overall participant experience

Considerations

AFSP offers opportunities based on the following criteria:

For not-for-profit or community-based organizations that have a mission that supports mental health and/or suicide prevention and can include community non-profits, behavioral health centers, addiction recovery/support, grief support, veterans resources/support, etc.

- There are no sales/fundraising/soliciting at the resource tables — these are informational opportunities only
- All organizations are subject to review and approval by AFSP – AFSP reserves the right to deny or exclude any organization or vendor from tabling for any reason
- All materials must adhere to AFSP’s mission and values, comply with applicable law, and AFSP policies and procedures
- All messaging (spoken/displayed/written) must comply with AFSP’s best practices for safely speaking about suicide
- AFSP does not permit politicians in an election cycle, advocacy organizations, firearms manufacturers, and liquor/beer/wine distillers/brewers/distributors – additionally, in accordance with federal law, no political campaigning is permitted at any AFSP event and AFSP cannot campaign for or against a candidate for political office, contribute money or labor to a political campaign or distribute campaign literature
- AFSP does not endorse any particular treatments, but rather encourages individuals and families to find the treatment plan and provider that works best for each person – please note, as a third-party guest, you may make information available and engage those who approach a resource table about your services/treatment, but do not actively solicit participants
- AFSP does not permit the promotion, fundraising and/or sale, directly or indirectly, of any goods and/or services without consent by event organizers – in the event of revocation, AFSP shall retain the full fees paid, but such amount shall not automatically be construed as full and satisfactory liquidated damages
- AFSP shall have the right to revoke the tabling/speaking rights and privileges granted, effective immediately, if AFSP, in its sole discretion, deems the noise level, method of operation, display of materials or goods, conduct of any person, or content of any printed material to be a nuisance, dangerous, unlawful, in violation of the organization’s rules and regulations, or a threat to AFSP or its related events or activities
- All exhibitors are strongly encouraged to register for any walk they attend. All AFSP Capital Region NY walk registration pages can be found at afsp.org/capitalregiontogether.
