Consulting and Training

## Peer Professional ETHICS

In this training, participants will identify how their values and boundaries apply to the provision of ethical peer recovery coaching. Participants will explore ethical boundary and role integrity dilemmas and practice ethical decision-making using real life scenarios. The NYCB Code of Ethical Conduct will be reviewed and applied to practice situations.

Tuesday April 28<sup>th</sup>,  
2026, 8:30-1:00 pm

Training Fee: \$100
